

OMI Specialty Products Announces Reseller Agreement with MSC Industrial Supply Co.

Strategic Partnership Expands Access to Innovative Industrial Solutions Across North America

Fullerton, CA – June 27, 2025 – OMI Specialty Products, a Trusted Aerospace Partner for Over 50 Years, today announced it has entered into a strategic reseller agreement with MSC Industrial Supply Co. (NYSE: MSM), a premier distributor of metalworking and maintenance, repair, and operations (MRO) products and services throughout North America.

Through this agreement, OMI will offer MSC's full line of solutions via its nationwide sales network, including OMI's e-commerce platform and field sales team. The partnership is expected to allow OMI's Federal Customers access to MSC's catalog of high-quality, American-made MRO solutions.

"We are excited to partner with MSC Industrial, one of the most respected names in industrial distribution," said Ali Dadvar, CEO of OMI Specialty Products. "This agreement is a major milestone for OMI and allows us to enhance our solutions offerings and reach a broader public sector customer base with the products offered by MSC."

OMI's distribution line includes parts, chemicals, hardware, and raw materials supporting the demanding needs of aerospace manufacturing, MROs, and airlines.

The agreement is effective immediately, with MSC products set to appear on OMI's digital and print catalogs in the coming weeks.
